Uplifting Paws is a 501(c)3 nonprofit organization that focuses on training service dogs for disabled individuals, and therapy dogs for the Lincoln community. We operate under a positive reinforcement training philosophy, which is scientifically proven to be the most effective, and will help improve the bond between you and your dog. By purchasing an obedience class or private training lessons from us, you are directly supporting our service and therapy dog programs. Thank you for your support of our mission to provide comfort and independence, one paw at a time.

We are located at 2019 P Street, Lincoln, NE 68503. You'll see us in the purple building at 20th and P!
